

2017 Workshops and Classes at The Loop

Housekeeping - A 'must read'

Classes are limited to 6 students

Registration is confirmed when the class has been paid for in full.

Unless a class is cancelled by The Loop, no cash refunds will be made. If a change is made within 10 days prior to the class, then we will be happy to provide a store credit.

By purchasing your supplies at The Loop, we are able to provide classes at a nominal cost, therefore, all supplies must be purchased in-house.

We appreciate your timely arrival. Due to class scheduling, we are unable to hold the classes for late arrivals.

A 10% discount will be provided for class materials. Excluding looms, wheels, and interchangeable needles.

Students must be able to meet the minimum skills criteria to register for a class or workshop. If it is determined that you require more assistance than is offered in a class, the teacher may move you into a more appropriate class at her discretion.

Beginner students may not register for more than one "major" class at a time.

Our instructors have a set of skills they need to teach you, and a finite amount of time in which to do it, if you are unable to attend the first class of a 101 class, we ask you to please register for a different session as catching up one person will take time away from the other students. Please discuss any other absences with your instructor.
