

2019/20 Classes at The Loop

Housekeeping - A 'must read'

Classes are limited to 6 students. A minimum of 3 students is required in order for the class to run.

Registration is confirmed when the class has been paid for in full.

Unless a class is cancelled by The Loop, no cash refunds will be made. If a change is made 5 days prior to the class, then we will be happy to provide a store credit. We are only able to transfer students to a different class until 5 days before the class start date.

We appreciate your timely arrival. Due to class scheduling, we are unable to hold the classes for late arrivals.

A 10% discount will be provided for class materials. Excluding looms, wheels, and interchangeable needles. By purchasing your supplies at The Loop, we are able to provide classes at a nominal cost, therefore, all supplies must be purchased in-house. Please note: students are responsible for providing their own supplies, unless otherwise stated.

Students must be able to meet the minimum skills criteria to register for a class or workshop. If it is determined that you require more assistance than is offered in a class, the teacher may move you into a more appropriate class at their discretion.

Beginner students may not register for more than one "major" class at a time.

Our instructors have a set of skills they need to teach you, and a finite amount of time in which to do it. If you are unable to attend the first class of a 101 class, we ask you to please register for a different session as catching up one person will take time away from the other students. Please discuss any other absences with your instructor.

Crochet Skill Levels

Beginner:

Basic chain, single & double crochet stitches. Minimal shaping.

Advanced Beginner:

Skills noted above, plus repetitive stitch patterns, simple colour changes, and simple shaping and finishing.

Intermediate:

Ability to crochet using a variety of techniques, such as basic lace stitches, or colour patterns, mid-level shaping and finishing.

Advanced:

Ability to crochet projects with intricate stitch patterns, techniques and dimension, such as non-repeating patterns, multi-colour techniques, fine threads, small hooks, detailed shaping and refined finishing.
